Dessinée par Mauro Lipparini, cette table présente une ligne minimaliste: deux piétements obliques en acier en forme de U et un plateau à la forme élégamment biseauté qui reçoit un complexe verre/céramique extrêmement résistant avec des aspects de pierres et de marbres. Cette version Outdoor est ultra-protégée, pour durer.

Designed by Mauro Lipparini, this table has a minimalist look. It features two oblique U-shaped steel legs and an extremely resistant glass/ceramic bevelled top that elegantly resembles stone and marble. This Outdoor version is extra-durable and made to last.
